IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.16603 of 1999
JHULAN SINGH & ORS
Versus
STATE OF BIHAR & ANR
---

3 25.8.2008 It appears that by order dated 15.7.1999 two weeks' peremptory time was granted to the petitioner for removing defect no. 14. That order seems to have been removed only on 4.7.2008 i.e. after 9 years.

When peremptory time has been granted to the petitioner to remove defects as the same had not been carried out within the stipulated time one wonders how the defect was permitted to be removed after 9 years on 4.7.2008.

Be that as it may no one appears to prays this application which is of the year 1999, it is accordingly dismissed for non prosecution.
